RE: Harlan Bieley, M.D.

To Whom It May Concern:

I have known Dr. Bieley for the last six years. He has been a student in the Master's Program that I co-direct at the Morsani College of Medicine at the University of South Florida. Dr. Bieley graduated at the top of his class in the Master's Program. He is an excellent student, a kind and compassionate physician, and would make an excellent addition to any practice.

If you have any questions, please do not hesitate to contact me at your earliest convenience.
